

Tax Refund LASIK special
GIFT CERTIFICATE in the amount of:
\$1400.00

What is the TAX Refund LASIK special?

Bring this certificate to your Free LASIK Consultation to receive \$1400 OFF total towards Bilateral Laser Vision Correction surgery with purchase of a Gold or Platinum LASIK aftercare plan. Offer only applies for surgery on both eyes in one sitting and expires April 16th, 2012. The special is not available with any other specials, discounts, insurance, co-management or online daily discount programs (i.e. Groupon, Living Social, Daily Candy, etc). Offer is non-refundable and nontransferable and may not be used retroactively. Offer subject to change without notice.

What is the usual cost of LASIK at LCEC?

Our list price for LASIK ranges from \$4800 to \$6200 for both eyes. With our special, LASIK ranges from \$3400 to 4800 for both eyes. The price depends on the eye prescription, visual needs, the aftercare package selected (silver, gold, platinum) and day of surgery (Monday is the cheapest).

What is included in the Package?

It includes the LASIK procedure and LASIK-related follow-up appointments as per Aftercare program. We offer 3 aftercare packages (silver, gold and platinum). The Aftercare program determines how long Lasik related follow-up appointments are covered for and how LASIK enhancements are covered. Please speak to our LASIK consultants for more details.

Who is eligible?

Eligible patients should be in excellent general health with healthy eyes free of any eye diseases and no prior eye surgery and must be deemed to be a good LASIK candidate by our Eye Surgeon. To be eligible, surgery must be performed before April 16, 2012.

Who is not eligible?

Our Eye surgeon is very selective about LASIK candidacy. Please see attached a partial list of conditions that would make you ineligible for LASIK for this offer:

- Patients desiring surgery on one eye only.
- Significant medical history: Uncontrolled Hypertension or Diabetes, Collagen Vascular disease, Rheumatoid arthritis, Immune deficiency disorder, etc.
- Corneal disease: Keratoconus or Keratoconus spectrum, Fuchs dystrophy, Corneal scars, Herpes eye disease, etc.
- Any history of prior Eye surgery: including Cataract or LASIK surgery or any other significant eye surgery.
- Extreme prescriptions: Some patients with extreme astigmatism, nearsightedness and/or farsightedness.
- Significant Dry eye syndrome or Sjogren's syndrome.

Can I combine the Tax Refund special with any other discounts?

The Tax Refund LASIK special cannot be combined with any other promotions, specials, discounts, insurance, co-management or online daily discount deals programs (such as Groupon, Living social, Daily candy, etc).

Can I use insurance with the Tax Refund LASIK special?

LASIK is considered an Elective procedure is NOT covered by insurance. Some insurance companies offer a LASIK discount. Our special offers a discount much larger than offered by Insurance companies.

Can I use Flex Spending program with the Tax Refund LASIK special?

Yes. Flex spending accounts can be used in conjunction with the Tax Refund LASIK special. For patients needing to set aside money for their Flex Spending, there is no need to wait because for a limited time we offer 0% financing for 12 months via Care Credit.
